

David Chen

Two Finger Style

David is known for his unique “Hawaiian Two-Finger Style,” which has attracted significant attention in the ukulele community. This style of music is delivering emotionally rich and technically refined performances.

What is Two-Finger Style?

Two-finger style is a traditional Hawaiian ukulele technique. It is also a chord-melody approach in which the index finger plays the melody while the thumb plays the harmony, creating a rich, beautiful wave-like rhythm.

In this workshop, you will learn:

- How to play two-finger style step by step
- How to combine melody, chords, and rhythm in an easy, practical way
