

Kia ora,

My name is Katie Wilson. I'm a fully qualified teacher who has always been passionate about music and drama. I have been working as a teacher for over 25 years from early childhood to intermediate level. I feel music can be incorporated into all curriculum areas, creating fun experiences for all learners.

I can't wait to create some awesome memories with your tamariki at TUF 2026.

I thoroughly enjoy playing the Ukulele and watching the camaraderie that comes from people joining together to have a jam session. It has a positive impact on well being and brings people closer together.

Our workshop will be jam packed with fun activities for children of all ages. We will have face painting, colouring competitions, biscuit decorating, lolly necklaces, bracelet making, tattoos and games to play.

VENUE:-

Te Anau Primary School Hall
118 Milford Road or off Bligh Street

TIME:-

Saturday 3:30-5:00pm
