Introduction to Mandolin

Curious about the mandolin but not sure where to begin? This workshop offers a relaxed and practical introduction to the instrument — from how it's tuned and held, to basic chords, picking patterns, and simple melodies.

Open to complete beginners, the session focuses on building confidence and getting you playing quickly in a supportive, hands-on environment.

Led by renowned NZ multi-instrumentalist Nigel Gavin, this is a welcoming space to explore a new instrument and start making music from the very first notes.
