MOVING ON UP THE FRETBOARD

“Moving On Up the Fretboard” takes you beyond the confines beginner chords and the 1st 3 frets of the ukulele fretboard. With next to no music theory well known chord shapes are adapted for use higher up the neck.

Instantly quadruples the chords you know

Introduces easy pain-free barre chords

Unlocks new genres of ukulele music and songs

Liberates (and expands) right-hand strumming technique

Move on up towards your fretboard destination!
